**DEMOLITION OF SPORTS FACILITIES**

**COMMENTS FROM THE INSTITUTION OF ENVIRONMENTAL SCIENCES**

**Comment**

1. This note contains the comments of the Institution of Environmental Sciences on the above Consultation Paper issued by the Department of Environment, Transport and the Regions (DETR) in July 2000.
2. The Consultation Paper sets out well the situation. On the basis of the evidence presented we concur with the proposal to pursue Option 1. We feel this balances the need to adequately protect sports facilities, whilst limiting the burden on business and local authorities.
