Unit Details

Account Name: Highland Carbon (RA)
Project Name: Corriegarth
Unit Type: Pending Issuance Units

Pending Issuance Units sourced from Highland Carbon’s Loch Ness Forest located on the Corriegarth Estate, uphill from the Falls of Foyers, on the south side of the great Loch. The Loch Ness Forest Project has entailed the planting of a diverse array of 100,000 native trees to be managed as a permanent nature reserve in the spectacular wilds of the Scottish Highlands.
